

# Call for Roundtable Discussions

## 21<sup>st</sup> Annual California Partnership Academies Conference

Desert Springs JW Marriott Resort and Spa

March 26–28, 2009

---

**You are invited to host a discussion on an educational hot topic at the 21st Annual California Partnership Academies Conference.**

**Roundtable discussions** provide an opportunity to present concise information about a successful strategy, a best practice, or expertise on a topic of interest to CPA teachers and administrators. The roundtable discussions are informal and are scheduled for Friday, March 27, in Session II. Each “round” of a discussion will be 35 minutes long. There will be two “rounds” in a session, so it is imperative to keep the topic narrowly focused.

**Please complete the information below if you are interested in presenting at a roundtable.**
